And We're Back!

We hope you had a wonderful holiday with family and friends. We are excited to get back to KidzMin after the holidays and start this new year off right with your children, continuing their Christian faith and education as well as fellowship with each other.

/// Weather Alerts /// We want to ensure your family's safety. We try our best to notify you as soon as possible via the following ways: **FACEBOOK** (www.facebook.com/kidzmin1), **Text** (be sure we have the most current contact number on file), or **Fastdirect**. If there is another way that you wish to be contacted, please let us know or contact us at any time to check if we are meeting.

Soap Craft If your child is sensitive to certain fragrances or ingredients, contact us to be sure it wasn't used in your child's homemade soap. **For best results for soap curing, wait an additional week before use.**

Let's Recruit More Students

As Jesus has taught us, continue to spread His Word! Please have your children let others know of the education and fun that KidzMin offers.
