

KidzMin

of St. Michael's

Richville, Michigan

SEPTEMBER

CLASS 1: September 7, 2025

KidzMin is back in session!

We pray that this school year is blessed in all ways according to His will, for a wonderful message and learning experience for your child and family.

Continuing with the new Concordia curriculum we started last year, our lessons are broken into 2 groups.

The two classes will each consist of 1 teacher and 1 teaching assistant, with age groups separated between preschool to 1st grade and 2nd grade to 6th grade.

If you are a returning family, please be sure to check over your registration form from last year (if applicable) or take the time to fill out a new form available online at the church website, pickup a copy at the church/school office or on any class day at the welcome table. Updated information is important to report for any existing or new food allergies, contact number changes and current emails to receive updates. Also, if time allows, take a moment to introduce yourself to your child's Sunday school teacher and ensure that your child knows this is their classroom on Sundays. It is such a blessing for the children to have this worthwhile program offered to them and we all feel so blessed being a part of it.

At any time, if you have ideas or your services to offer - please feel free to let us know - we welcome you to be involved and share this program information with others!

CONTACT US

Consider getting involved! We gladly accept volunteers.
