APRIL

CLASS 24: April 28, 2024

We Hope Your Children Will Continue With KidzMin Next Year, Possibly Even Some of Their Friends and Family - And You Too!

It is so wonderful to see your children grow with each other in their fellowship together and to watch them thrive in their Christianity as well as their own service to our Lord.

We have KidzMin registration forms already available for your children to sign up for the next school year. They are available outside of the school office, forms on the church website, as well as have the forms at the welcome table each morning we have class.

Also, please consider being involved. It is so wonderful to have the amount of teachers and assistants we do, but having substitute teachers, craft assistants as well as an assistant director is so crucial in case of needed extra hands. Please let us know if you are interested in helping in the new year - it would be greatly appreciated. Plus, the bonus is you have an inside look to your children's curriculum and yearly calendar here at KidzMin, which makes it also more easier to have a voice in what your child is learning and doing!
