

KidzMin

of St. Michael's

Richville, Michigan

SEPTEMBER

CLASS 3: September 21, 2025

Continuing Reward Policy

You may have noticed your child with more than a snack after today's class. Most of you know that we like to instill a love for learning about Jesus and know that coming to KidzMin is vital for the continuation of your child's education in the faith outside of their normal curriculum.

We want to ensure that your child has an opportunity to enjoy fun and fellowship on a day they set aside for the Lord. To ensure your child knows the importance of attending, we reward them with a small token of their choice after attending 3 days (non-consecutive) as well as a reward for perfect attendance each month!

Recruitment Rewards

As always, we want to share God's word and continue to grow this ministry. In every effort to help encourage the KidzMin students to talk about what they do each week, we offer a prize out of the bin (the same we use for our perfect attendance) for every eligible child they encourage to come to KidzMin.

Are You Coming to the First Ministry Fair?

KidzMin will be there and we hope to see you! We will be hosting a table where your family can win 1 of 4 prizes, pickup information about us as well as other church-run groups and organizations. Plus, free food and fellowship!

CONTACT US

Consider getting involved! We gladly accept volunteers.
