OCTOBER

CLASS 5: October 25, 2026

God made you uniquely YOU!

On our last class day, our KidzMin students traced outlines of one another as part of a special project to draw attention to KidzMin! With permission from the school librarian, we will be displaying their completed artwork in the school hallway.

Each student's outline will feature unique-to-them inspirational messages and Bible verses reminding them that they are uniquely created, deeply loved, and wonderfully made by God. The children will also have the opportunity to color and personalize their drawings as a celebration of who they are as children of God.

We pray this display will remind other children that we meet for KidzMin on Sundays and encourage those who pass by to remember the truth of Psalm 139:14: "I am fearfully and wonderfully made."

Shut In Gift Project Will Start Next KidzMin Class!

Please note the calendar dates to the right, we will meet next on November 1st. One of God's requests to us is that we serve others, and our upcoming service project may be the very first example of serving for your child. We are hopeful that this will be a great experience for your child to create care boxes for the members of St. Michael's church that are homebound or in nursing homes.

Pumpkin Coloring Contest

We are so happy to see what designs the children come up with every year. We randomly choose someone from the church to select our winners each year. We want your child to know that their pumpkin design is uniquely theirs and loved too! Pumpkin drawings will be in the hallway at the school until Nov. 1st, and be returned on that day.
