NOVEMBER

CLASS 9: November 9, 2025

Congratulations contest winners and all who participated in growing our pumpkin patch!

The following won for their class: Kennedy Boyd and Aubree Perez

Each year, we ask someone from the adult Bible study to be the judge.

If ever your child misses or loses their sheet, you can contact the director before next class and she'll email you the file to print off your own sheet.

We thought all the entries were creative and so fun, thank you for allowing us to mentor such creative kids!

Shut In Gift Project Will Start Next KidzMin Class!

Please note the calendar dates to the right, we will meet next on November 9th. One of God's requests to us is that we serve others, and our upcoming service project may be the very first example of serving for your child. We are hopeful that this will be a great experience for your child to create care boxes for the members of St. Michael's church that are homebound or in nursing homes.

Perfect Attendance - November
