

**Do you need help to have your say or
sort out a problem?**

How can I get support from VALiD?

**You can call 9416 4003 and ask to talk
to an Advocate at VALID.**

**You can come to the VALID office and
an Advocate will talk with you and
listen to what you want.**

**You and the Advocate can then decide
if they can help you
or
the Advocate can help you find
someone who can help you better.**
