

*Flying Rooster Farm and Connect Uniequus*

# HORSE CAMP

FOR CHILDREN AND YOUTH GRADES 5-12

## AN EXPERIENCE LIKE NO OTHER

Flying Rooster Farm is teaming up with Connect Uniequus to offer School District 27 kids and youth a unique equine experience. The 2.5 hour camp will give participants an opportunity to experience an equine assisted learning session with their friends, facilitated by an EAL Canada coach who focuses on enhancing social and emotional intelligence. Participants will also go on a guided trail ride through 108 Mile forests and hills on calm and safe horses. Group sizes are limited to ten participants and COVID protocols are in place. Refreshments are included so please let us know of any dietary requirements. No horse experience necessary, but even those with lots of experience will find something new and exciting in this camp.

## EQUINE ASSISTED LEARNING

Equine Assisted Learning is an experiential method of developing and fostering life and relationship skills. Our EAL program focuses on enhancing self confidence, making connections, promoting teamwork and leadership skills, all while learning fundamental horsemanship skills.

## TRAIL RIDES

Flying Rooster Farm horses are gentle with new and experienced riders. Ninon, your guide, knows each one and carefully pairs horses with riders for the best experience. Our trails meander through forests into open meadows, and give riders a taste of the Cariboo back country as it was meant to be experienced.

## DATES AND PRICING

### Grades 5 & 6

May 12- 3:00-5:30pm

### Grades 6 & 7

May 17 - 3:30-6:00pm
