

MuseScore Studio 4 Beginner's User Guide

Fig 1

To open a new manuscript, navigate to 'scores' on the left-hand toolbar. Then, click the + sign to the right to add a new score.

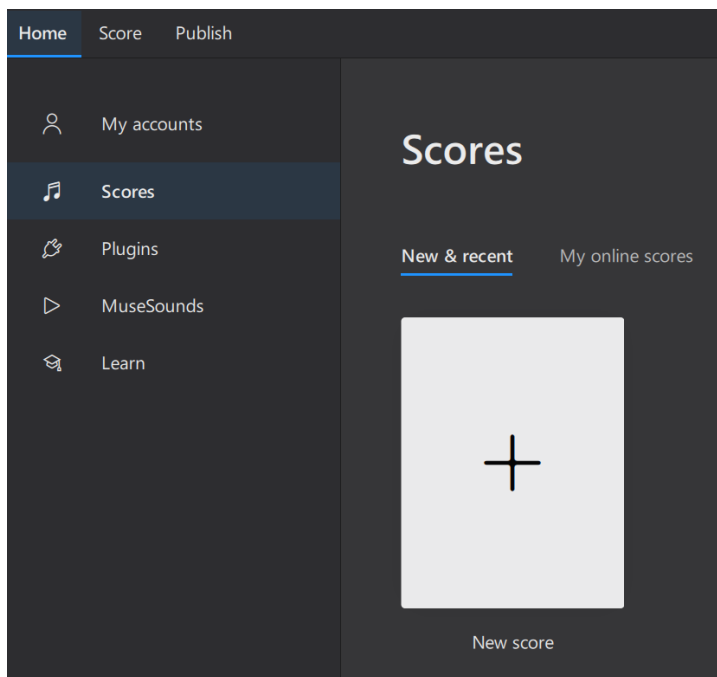

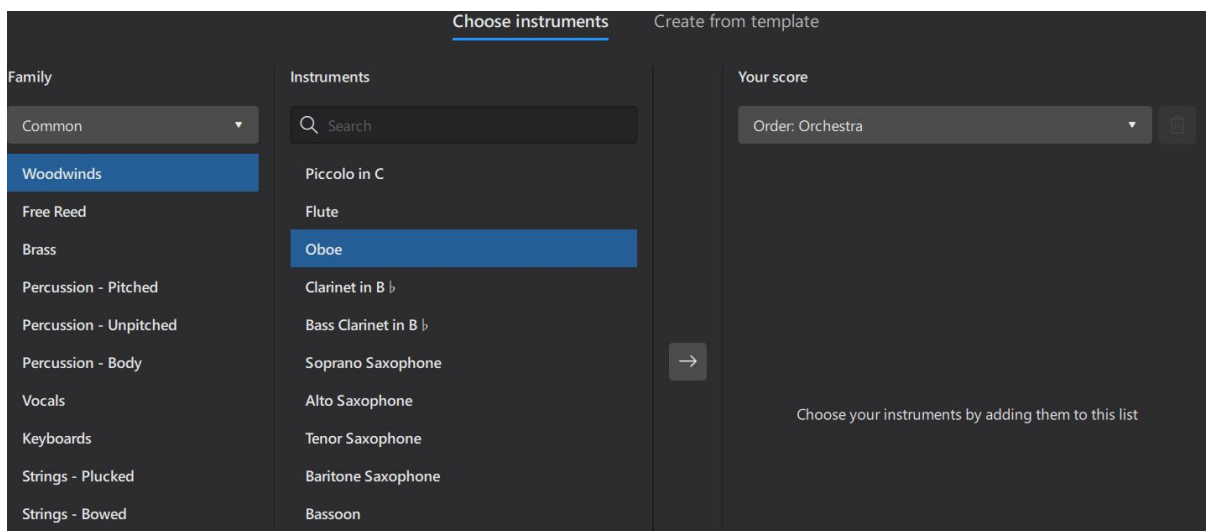

Fig.2

On the left hand toolbar, select the instrument family you would like. Then, in the second column, select the specific instrument. Once selected, click the arrow in the middle of the page to move that instrument across to the right of the page.

MUSIC MAESTRO PRIMARY

Fig. 3

Notes can be added by selecting the appropriate note value in the horizontal toolbar at the top of the page. Drag the selected note down onto the stave and release the mouse/finger to drop it in place.

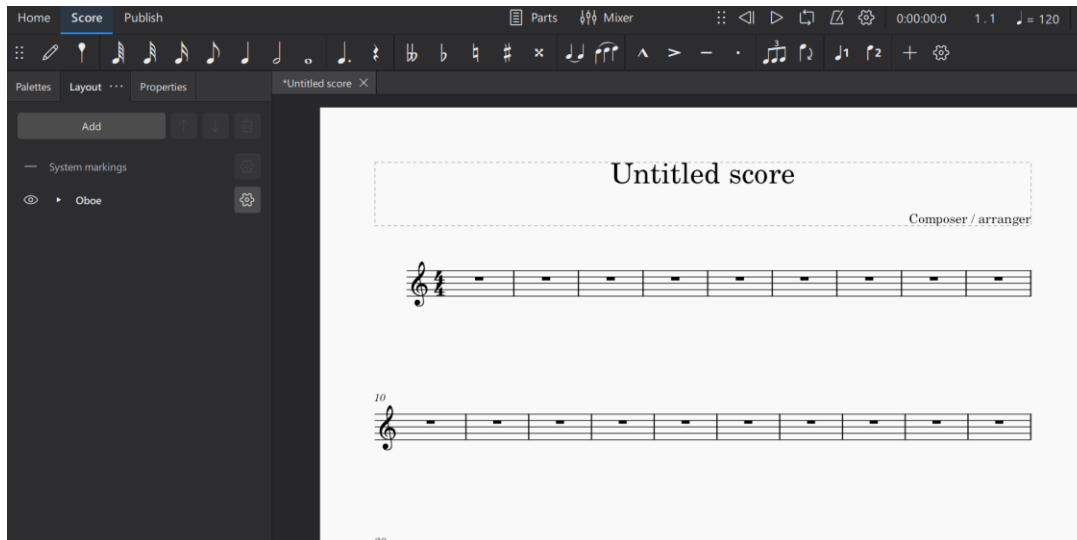

Fig.4

To change the time signature, key signature or other settings, expand the 'Palettes' toolbar menu on the left hand side, select your choice and drag/drop at the point of the score required.

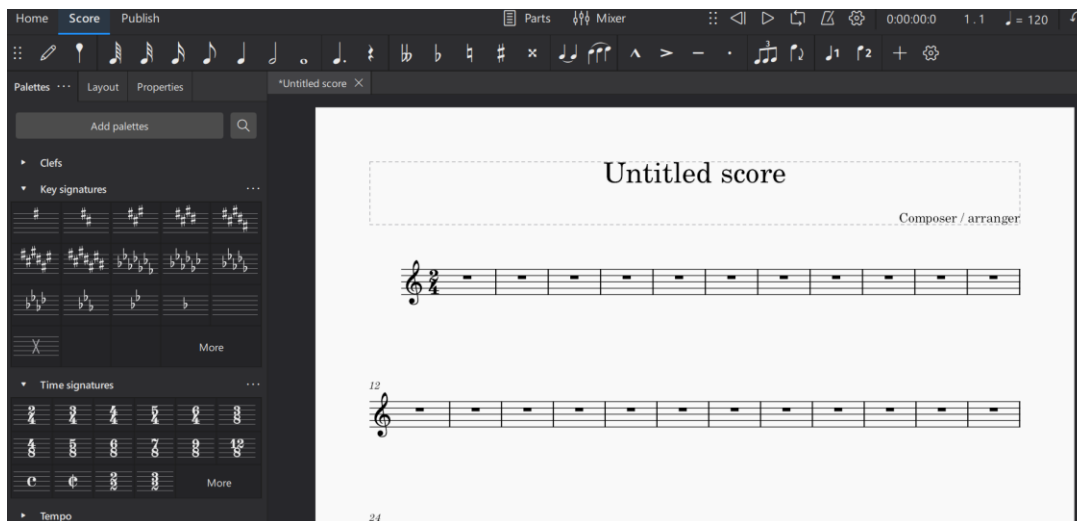

Fig.5

To play back your music once on the score, click the play (arrow) button on the top, horizontal toolbar.
