CENTRAL OAHU CPR

Roberta Kupo-Lonoae'a
Owner & Instructor Trainer

VISION

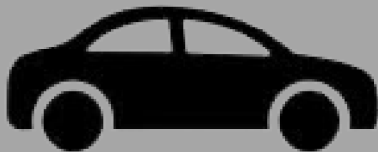

To save lives by educating our customers with the confidence and skills needed to perform CPR when life threatening emergencies or situations arise within our diverse communities.

MISSION STATEMENT

To provide high quality health and safety training

Roberta Kupo-Lonoae'a has been an instructor for seven+ years, three years as a small business owner and one year as an instructor trainer. While employed with American Red Cross, the pandemic hit and her position was cut. She then made a life changing decision to start her own company.

The values that drive her are, a commitment to the community, high quality health and safety training, and the mission to help others learn lifesaving skills. Central Oahu CPR serves a diverse industry, ranging from individuals to healthcare providers, government agencies, non-profit, commercial, or private organizations.
