November's Flying Phoenix

This month's high flying Phoenix is Chi. O. She exceeds our 3 P criteria--Progress, Process, and Participation. She consistently makes progress towards her goals by attending every session and actively participating. She has exceeded our expectations in recognizing processes in sessions by warmly greeting her Specialist when she enters her home and by setting up the work area. her birthday is also this month--so Happy birthday to our Phoenix! She is quickly becoming high flyer by showing perseverance, progress, and always having productive sessions!
