PROFILE

20+ years of healthcare experience with +12 years as certified Family Nurse Practitioner. Currently providing primary care via telemedicine and at federally qualified rural health centers. Additional certification as an Emergency Nurse Practitioner treating patients in rural settings; frequently as solo provider. Several years of experience with onboarding new advanced practice providers (NPs & PAs). Well versed in the responsibilities pertaining to supervision or collaboration between advanced practice providers and physicians. Solid critical care RN experience prior to nurse practitioner completion (+7 years) and recent RN experience in critical care during COVID pandemic. Responsible for establishing telemedicine standards for an upstate New York rural healthcare network by identifying patients who are appropriate for virtual health and workflows to ensure patient's care is appropriately escalated when needed.
