- Susan Bursztznsky distributed Safe Journey brochures to all in attendance. Susan spoke of the many different services they provide in Livingston County and LaSalle County. Susan thanked the Board for their support over the years. Domestic Violence Awareness month is this month. Victims usually do not discuss what is going on in their home. They tend to share with a friend. They offer 24 hour support for the victim and their children. They also offer case management.

Agency Comments:

Safe Journeys:

- No further to report.

Institute for Human Resources:

- Joe reported about the same. They participated in Jesse's Ride and thanked Vicki Day. Joe also thanked Jack for his support during the construction process.

Futures Unlimited:

- Patty reported they have had four staff member test positive for COVID-19. All clients remain safe. They have cut back CDS services. Staff have been understanding however there have been a few people resign. The state is giving an extra 15% increase in rates for CDS services from October through December 31st. Every little bit helps. Production has slowed down to a more manageable pace. The parking lot is complete for this phase.
