Agency Comments:

Futures:

- Patty announced they have been focused on the budget.
- They will be implementing an increase for DSPs, however there is the cut to residential hours.
- The CARF accreditation expiration date has been extended to April 30, 2026, so the survey will not be held until February or March of 2026.
- The kitchen is done and looks great!

IHR:

- Teresa talked about the waiting list. Since they switched from the group sessions to half hour individual sessions she is packed. So that is fantastic.
- The school counselors are now in house so they are funneling clients to them that they think may just need some short-term services.
