FREQUENTLY ASKED QUESTIONS

What is Toner?

It's a soothing, alcohol-free toner that hydrates, tones, softens, and refreshes your skin without stripping it of its essential moisture. Toner balances your skin, tightens and lessens the appearance of pores to give you more even skin tone.

How do I use it?

Mist Toner over your face and neck to tone the skin after washing with Cleanser. It can also be applied by spraying onto cotton pads and rubbing it into the skin. For a complete skin-revitalising regimen, moisturise with PreventAge™ in the morning and RepairAge™ at night after cleansing and toning. Toner can be reapplied throughout the day for an extra boost of refreshing hydration and relaxation for your skin.

I've heard that there are other uses for the Toner; what are they?

Because it is alcohol free, Toner is an excellent post-shaving treatment with hydrating and moisturising properties to soothe the skin.

Is Toner formulated for a certain skin type?

It is perfect for all skin types.

Is Toner safe for me to use if I am pregnant, nursing or have an ongoing medical condition?

Before using any new product, whether a nutritional supplement, topical cream or treatment, or any other item, you should always consult your physician to find out if it is safe for you.

I have sensitive skin. Is it still safe for me to try this product?

We recommend always patch testing an area of your inner arm first prior to applying topically. If you are concerned about any allergy issues, consult your physician before using any skin care products.

Can my children use this product?

All It Works! products are recommended only for adults 18 years old or older.
