

# The Unlock Strategy Program. Making it happen together.

*The Unlock Strategy Program enables teams to plant the flag where their organization should be in the future. It also creates the road map and measures to track its implementation and success.*

## 1.Scope.

Carry out organization scan.  
Define the project scope.

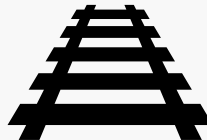

## 2.Strategy.

Determine the why, what  
and how.

## 3.Road map & dashboard

Create road map.  
Create KPI Dashboard.

## 4.Tracking.

Measure success.  
Update action plans.

## Quick Scan.

**Answer Yes or No to the following statements:**

- 1.Your organization has a clear strategy where it wants to be three years from now?
- 2.Your organization measures the implementation of the strategy?
- 3.Team members and departments are aligned and committed to the strategy?
- 4.Your strategy and its plan is regularly shared with your employees, customers, suppliers, and other key stakeholders?
- 5.You have a process in place to review the strategy and its success?

**Answered "NO" to at least one of these statements?  
Get in touch to unlock your organization potential.**
