

Signs of a Scam

- A LINK!- a 'call to action' to entice you to tap or click on text and it will take you to a website or form to enter information. **DON'T CLICK ON LINKS!**
- Unexpected/unrequested contact
- No alternative to contact the organisation
- Weird punctuation or incorrect spelling
- Incorrect use of your name or no name
- A sense of urgency

**I run regular Scam Awareness workshops.
Contact me for more details.**
