The April 9th meeting was to discuss

- Charging camping fees for registered shoots
- Declaration of category for registered shoots
- Price of targets for registered shoots
- Practice prices
- Strip & wax the main room floor
- Load of targets

The June 6th meeting was to discuss the Doubles Marathon & Western Zone shoots and what needed to be done to get the club ready.

The October 24th meeting was to have the board decide upon and approve the 2025 club shoot dates. The Board approved to host the Copper City Classic May 31-June 1, 2025. The Western Zone was approved for July 18-20, 2025. The discussion to combine the Doubles Marathon and Joe Petroni Super Handicap was approved. This shoot will be held June 21-22, 2025. There will be no ATA shoots in August of 2025.

Special Projects - Some of the dead branches were removed but the higher-up ones have not. John Wombold was going to bring a bucket truck to get to them.

Flooring Project - The Board voted to replace the floor in the office in 2022. The floor was replaced in May 2022. Immediately the new floor started coming up. Contacted Dennehy Flooring to get it fixed multiple times by multiple people. Still no resolution.

Resignations - During the June 6th meeting, Board Member Kevin Zimpel resigned from his Field Captain position. Mark Hislop stepped in to replace Kevin. Dean Springer turned in his club keys during this meeting but has since returned to help.
