The Butte Zone handicap events are

dedicated to John Chor.

John was a tremendous financial supporter of trapshooting in Montana. Through John's efforts, thousands of dollars were raised to supply added money for the Zone shoots in Anaconda and Butte. What money he couldn't talk local businesses, suppliers and friends out of, he supplied himself. As a result of this, the Montana Zone shoot, first held in Anaconda then in Butte became the largest and most successful zone sight in the Western region. John loved shooting handicap targets and it was his goal to have a handicap event each day with a substantial reward for the winners. Enjoy the shoot and think of John when you start your handicap.
