To Whom It May Concern:

I am writing this letter of recommendation for Holly Atkins who was a student teacher at Lockport High School where I am the current principal. I had the opportunity to observe Holly during her student teaching experience at Lockport High School in a 9th grade Social Studies classroom. I found Holly to be patient and kind with students. Her demeanor remained focused on the material but calm. In a follow up post-conference meeting, Holly was eager to hear my feedback and interested in personal growth with her craft of teaching. It is obvious that Holly likes working with students and is even more committed to the field of teaching after her student teacher role.

In speaking with her cooperating teacher, Holly did a great job with the following tasks:

1. Collaborating with colleagues, both general education and special education co-teachers
2. Thoroughly planned lessons
3. Content knowledge
4. Rapport with students

I would highly recommend Holly for a teaching position. If you have any questions, please feel free to contact me using the information below.

Sincerely,

Dawn Wylke
