

MICAH GATEWOOD

MULTI-MEDIA JOURNALISM STUDENT

Bradly Univerrrsity

EXPERIENCE

2025- Present

BUTV: Sports and Head News Anchor

Bradley University- Peoria, Illinois

- **Lead Anchor:** Serve as the primary "face" of weekly news broadcasts, delivering local news and sports intel to a campus and community audience.
- **Sports Desk Specialist:** Research, write, and deliver live updates, scoresheets, and analytical segments for multiple collegiate athletic programs.
- **Live Performance:** Manage high-pressure live environments, demonstrating composure and professional timing under "red light" conditions.

2024-2025

Sports Writer

The Bradley Scout - Peoria, Illinois

- **Beat Reporting:** Pitch, research, and write weekly sports articles for the university's primary news outlet.
- **Multimedia Integration:** Translate game stats and player interviews into engaging digital content for the website.
- **Deadline Management:** Consistently meet strict editorial deadlines while maintaining high standards for journalistic accuracy.

2025-2025

Summer Program Intern - Power 104.7 Media Lab

Power 104.7 Media - St. Paul, Minnesota

- **Leadership & Mentorship:** Mentored and trained a cohort of 18–23-year-olds on news studio operations, including camera work, audio, and control room switchers.
- **Project Management:** Designed and managed weekly production schedules to maximize student learning and studio efficiency.
- **High-Profile Talent Coordination:** Facilitated and co-produced broadcasts featuring former professional athletes and Minnesota media personalities.
- **Published Contributor:** Authored a featured article based on an exclusive interview with former pro basketball player PJ Hill, handling both the broadcast and the written editorial.

2023-2024

Color Commentator - High Point University

Sports Link - High Point, North Carolina

- **Live Game Analysis:** Served as the primary analyst for three Division I basketball broadcasts, delivering situational commentary and insights during live competition.
- **Tournament Experience:** Collaborated with play-by-play announcers and production crews during the Big South Conference Women's Basketball Tournament to provide high-quality, seamless live coverage.
- **Strategic Research Management:** Conducted comprehensive pre-game research on opposing rosters and home team statistics to provide deep player insights and historical context during broadcasts.
