WELLNESS ACADEMY

Aromatherapy has become a popular healing modality for many reasons: it is convenient, easy to use, and is generally affordable with quick results. What is not usually known is there is a full history to the use of aromatherapy, and many benefits to understanding the needs to use safely, and the best ways to administer essential oils effectively, what is natural is not always safe.

AROMATHERAPIST 50 HOUR CERTIFICATE - NAHA APPROVED

Students complete contact hours in person at My World Better and in addition can choose to complete the full certificate by submitting 5 case studies & aromatherapy A&P (if needed) in the online classroom.

TRAINING INCLUSIONS:

- Email support from your teacher through the course of your module
- Access to online classroom materials, monographs & lectures as program progresses
- In Class Supplies & Blending Tools

WHAT CAN I DO IF I GAIN A CERTIFICATE OF COMPLETION?

- Add value to your current career or wellness business
- Take private appointments or consult on the safe use of aromatherapy
- Give lectures
- Create an online shop
- Create a simple product line
- Work with palliative care patients
- Continue your studies and gain higher levels of education in aromatic formulation, teaching or creating aromatherapy education classes

TRAINING DETAILS:

- **Location:** My World Better
- **Meeting Times:** Mondays, 6-8pm
- **Materials for Students to bring:** Notebook, Writing Instruments, Gloves (optional), Eye covering (optional)
- ***Please note the in person hours are not the full certificate course, you must invest in the A&P module (if needed) and the case study mentorship to complete the full certificate***
