Volunteer Firemen's Insurance Services, Inc., an American International Group, Inc. (AIG) company, is one of the largest providers of insurance for fire departments, ambulance and rescue squads and 911 centers in North America. All products and services are written or provided by subsidiaries or affiliates of AIG. Products or services may not be available in all countries or states, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
