## SMCC Preschool –

Where Children love to Learn, and Learn with Love!

The end of the year is approaching! We are finally enjoying the playground again and are thankful for the warm weather. We are also thankful for the popsicle donation! My older group is preparing for their graduation ceremony on Wednesday, May 15th. They have done an excellent job memorizing their songs. It will be a fun and special evening. As the school year comes to a close, I will continue to make memories with the kids that I'll cherish for a lifetime!

Best, Michelle Krueger @ 620-655-9311

### A Prayer in Spring

by Robert Frost

Oh, give us pleasure in the flowers today;  
 And give us not to think so far away  
 As the uncertain harvest; keep us here  
 All simply in the springing of the year.

Oh, give us pleasure in the orchard white,  
 Like nothing else by day, like ghosts by night;  
 And make us happy in the happy bees,  
 The swarm dilating round the perfect trees.

And make us happy in the darting bird  
 That suddenly above the bees is heard,  
 The meteor that thrusts with needle bill,  
 And off a blossom in mid-air stands still.

For this is love and nothing else is love,  
 The which it is reserved for God above  
 To sanctify to what far ends He will,  
 But which it only needs that we fulfill.

### All Things Beautiful

All things bright and beautiful,  
 All creatures great and small,  
 All things wise and wonderful—  
 The Lord God made them all.

Each little flower that opens,  
 Each little bird that sings—  
 He made their glowing colors,  
 He made their tiny wings.

The purple-headed mountain,  
 The river running by,  
 The morning and the sunset  
 That lighteth up the sky;

The tall trees in the greenwood,  
 The pleasant summer sun,  
 The ripe fruits in the garden—  
 He made them every one.

He gave us eyes to see them,  
 And lips, that we might tell  
 How great is God Almighty,  
 Who doeth all things well.\*

JOHN KEBLE

"Spring has come to wake the earth  
 From Winter's slumber, long and deep  
 To coax the merry flowers to bloom  
 Bring warmth to air and green to leaf

All about the earth is changing  
 Roused by Mother Nature's call  
 The rivers flow, the breeze turns sweet  
 The nights grow short, the days grow tall

Welcome Spring, in all your splendor  
 Dressed in green and rainbow hues  
 The winter cold has cleaned the slate  
 And now, you make the world anew."
