SMCC Preschool

Dear Parents,

School has been going great! I am very happy to have your child in my class. I believe that by us working together, we can make this a very successful year. Each and every one of your children will be that of my top priority while they are in my class. Please feel free to visit with me anytime that you have a question concerning your child's progress. I will do my best to keep you informed should any problems or concerns arise.

I consider it a great privilege and responsibility to be your child's teacher this year, and I look forward to building a relationship with each of you.

Let's make your child's first years of school, their best years.
