SMCC Preschool

It's about that time! Who's ready for school this year? I am, I am! I am so excited for the start of the new school year and I can't wait to see all the little faces. I love summer time and enjoy spending time with my family, but I also love getting back into a routine.

With Covid going on, things may look a little different this year, but my main goal is to teach the children and keep them safe and healthy as possible.

I enjoy building a relationship with my students as well as the parents. Please know that no question is too silly to ask, and my door is always open for communication. I send out monthly calendars. It is important for you to look at these so you know when your child will have show & tell and snacks.

We're going to have a great year and I can't wait!!
