

Mobile Detailing Technician (Part-Time)

Location: Ballston Spa, NY (Serving the Capital Region)

Pay: \$18/hr + Tips

Schedule: Part-Time (about 10-25 hours/week). Weekends required; weekday availability as needed

Anticipated start date: March 2026 (weather dependent)

About Northway Mobile Detailing and the Role

Northway Mobile Detailing provides high-end mobile auto detailing services for clients at their home or work throughout the Capital Region. We bring all equipment to detail vehicles of any size wherever they may be, working with both residential and commercial clients. We hold ourselves to the highest communication, reliability, and quality standards. The Mobile Detailing Technician will perform various duties to assist the owner on jobs, and as skills increase, eventually perform jobs independently.

What You'll Do (Day-to-Day)

- Meet in Ballston Spa to load up and then travel to jobs
- Refill chemicals, restock towels, empty vacuums, and clean extractors
- Load/unload tools and keep van/trailer stocked, organized, and clean
- Confirm job details in our scheduling app (service type, add-ons, notes) and note preexisting damage before starting job
- Perform interior detailing: remove trash, vacuum, wipe down plastics, clean glass, shampoo and extract carpets/seats
- Perform exterior detailing: hand-wash vehicles, clean wheels/tires, physical and chemical decontamination of paint, rinse undercarriage, dry exterior, apply sealants to paint, apply tire shine
- Keep work area clean and tools organized throughout the job
- Follow our step-by-step checklists for each service to maintain high quality standards
- Document work with before and after photos
- Perform final walkthrough with customer, then take payment and provide receipt using our app

Requirements

- Valid driver's license with clean driving record + reliable transportation to Ballston Spa
- Can lift 50+ lbs. and work on your feet for hours at a time
- Comfortable working outdoors in various weather conditions
- Reliable, punctual, and communicates clearly
- Ability to work independently and as part of a team
- Strong attention to detail and high standards

Preferred

- Previous detailing or car wash experience either professional or serious personal
- Experience with customer-facing work
- Interest in growing into a lead tech role

Growth and Perks

- Opportunity to move into lead tech / solo route as demand grows
- Bonus eligibility for various metrics
- Earn tips from customers
- Get to work with high-end and enthusiast vehicles
