

# 1-MINUTE DAILY CHECK-IN FOR AQUATIC MANAGERS

**Check off each as you walk thru:**

- ☐ Staff Ready?
- ☐ Are all assigned lifeguards present, in uniform, and at their stations?
- ☐ Are their certifications current and easily accessible if needed?
- ☐ Zone Coverage Clear?
- ☐ Is the pool/aquatic area adequately staffed for the current patron load and designated zones of responsibility?
- ☐ Emergency Equipment Present & Accessible?
- ☐ Do you see all essential rescue equipment (rescue tubes, backboards, AED, first aid kits) in their designated, easily accessible locations?
- ☐ Water Clarity & Levels Optimal?
- ☐ Using the bathroom

## **Facility Scan for Obvious Hazards:**

- ☐ A quick look around the deck,
- ☐ changing rooms
- ☐ entry/exit points for any immediate
- ☐ visible hazards like spills
- ☐ obstructions, or broken equipment
