CORE COMPETENCIES

- **General Contracting:** Full-service general contracting for commercial and government clients, including project management, budgeting, and construction coordination.
- **Construction Management:** Comprehensive oversight of all phases of construction, from pre-construction planning through project execution, ensuring adherence to timelines, budgets, and quality standards.
- **Renovations & Remodeling:** Expertise in both interior and exterior renovations, covering residential, commercial, and public infrastructure projects.
- **Demolition & Site Preparation:** Safe, efficient demolition services with a focus on environmental compliance and responsible material disposal.
- **Civil Engineering Services:** Comprehensive civil works, including site development, utilities installation, and large-scale infrastructure projects.
- **Facilities Support Services:** Full-service facilities management, offering maintenance, repairs, and operational support to ensure seamless facility operations.
- **Emergency And Other Relief Services:** Rapid deployment and support in crisis situations, including emergency management, supply distribution, and recovery operations to assist communities in need.
- **Other Community Housing Services:** Development and management of affordable housing solutions and community development projects, designed to support and enhance community living.
- **Temporary Shelters:** Design, installation, and management of temporary shelter solutions for disaster relief, emergency housing, and community support, ensuring safe and efficient accommodations.
- **General Freight Trucking, Local:** Reliable local freight trucking services that ensure timely, safe, and efficient transportation of goods within designated regions.
- **Medical, Dental, And Hospital Equipment And Supplies Merchant Wholesaler:** Distribution and supply of quality medical, dental, and hospital equipment and supplies, meeting the critical needs of healthcare providers with efficiency and reliability.

DIFFERENTIATORS

- **Diverse Capabilities:** G&J Contracting LLC offers a comprehensive suite of services under one roof, providing clients with a seamless and integrated project experience.
- **Experienced Team:** Our skilled professionals bring years of experience across a wide range of industries, ensuring top-notch service delivery.
- **Client-Centered Approach:** We work closely with our clients to understand their specific needs, delivering tailored solutions that exceed expectations.
- **Commitment to Quality:** We uphold the highest standards of quality, safety, and compliance in every project, ensuring long-lasting results.
