Rev. Mahala D. Bacon, Th.D., is a renowned spiritual leader and educator who Co-founded the **United Spiritual Council of Nations (USCN)** in 2001 with the Rev. Donna Fischer. The USCN is dedicated to promoting spiritual teachings and creating a harmonious community of diverse spiritual beliefs. Here are some key aspects of her teachings and the programs.

**Teachings and Programs Sponsored by
various hosts**

(USCN) Essence of Spirituality: This class focuses on Spiritual Perspective and Insights allowing unfoldment of your Spirit. It is designed to aid in personal growth, discipline, and enlightenment. It uses various tools like videos, PowerPoint presentations, and breakout rooms to facilitate learning.

1. **(ESC) Spiritual Perspective and Insights:** This program helps individuals develop their intuitive nature and gain deeper spiritual insights.
2. **(ESC) Workshops:** ESC offers seasonal workshops on various spiritual topics to help participants expand their understanding and practice of spirituality.
3. **(USCN) Certification Programs:** USCN provides certification programs in areas such as spiritual perceptions, Insights, and healing through Complementary Alternative Medicine (CAM). These programs are designed to enhance participants' spiritual knowledge and skills.
4. **(ESC) Sunday Church Services:** The USCN hosts Sunday morning church services at 11 AM Central Time, USA, where participants can come together for spiritual worship and learning.
5. **N/A) 12 Step Programs and Recovery Workshops:** These programs offer spiritual support for individuals in recovery, helping them find strength and guidance through spiritual teachings.

Mission and Vision

The mission of the USCN is to create an atmosphere of respect, peace, and harmony among all beliefs. The organization aims to educate individuals in the essence of spirituality, helping them connect the knowledge of the mind with the innate wisdom of the spirit.
