Tiger Eye Healing Properties

♥ Protection ♥ Clear thinking ♥ Personal empowerment ♥ Integrity ♥ Willpower ♥ Practicality ♥ Grounding ♥ Power ♥ Courage ♥ Grace

Tiger Eye, also known as Tigers Eye, is a variety of Chalcedony. Tiger Eye is an 18th Anniversary gemstone.

Chakras - Sacral Chakra, Solar Plexus Chakra

Zodiac - Capricorn

Planet – Sun

Element – Fire, Earth

Typical colors - golden-brown, blue, red - A stone of protection, Tiger Eye may also bring good luck to the wearer. It has the power to focus the mind, promoting mental clarity, assisting us to resolve problems objectively and unclouded by emotions. Particularly useful for healing psychosomatic illnesses, dispelling fear and anxiety. Useful for recognizing one's own needs in relation to the needs of others. Balancing yin-yang and energizing the emotional body, Tiger Eye stabilizes mood swings, imbues us with willpower, purpose, courage and self-confidence, and releases tension.

Tiger Eye treats eyes, throat and reproductive organs, releases toxins, alleviates pain and is helpful in repairing broken bones and strengthening the alignment of the spinal column.

In addition to the generic healing properties of Tiger Eye, specific colours have additional attributes:

Blue Tiger Eye

Chakras - Throat Chakra

Element - Air

Blue Tiger Eye is calming and releases stress. It aids the quick-tempered, overanxious and phobic. Slows the metabolism, cools an overactive sex drive and dissolves sexual frustrations.

Red Tiger Eye

Chakras - Base Chakra

Element – Fire

A stimulating stone, Red Tiger Eye overcomes lethargy and provides motivation. It speeds up a slow metabolism. Red Tiger Eye increases a low sex drive.

Healing properties of Quartz Crystal

Crystal is a common stone, but a powerful one. It is mainly used in healing as amplification for the energies of the other working stones. In healing, the **crystal point** is best and the size can be important.

For meditating the **crystal ball** or point can be used. As it is a powerful stone the user should experiment with each to find what is best for him.

The Quartz Crystal has a similar vibration as humans. This is why using Crystal to meditate and keeping a Crystal helps one to know oneself. It will sometimes not work for a negative person.

Moonstone is said in crystal healing to help calm responses and stress, and avoid overreaction. It brings hope, enhances feminine energies, sensitivity, intuition, and psychic abilities. It is also said to bring strong energies of abundance to one's life.

Moonstone is a stone of protection, especially during childbirth, pregnancy, and travel at sea. It is a stone of calm and relief from emotional stress. It is also associated with love of all kinds.

Physically moonstone is used in crystal healing to aid the pituitary gland and digestive system, obesity, water retention, hormonal problems, menstrual problems. Note that healing crystal meanings are spiritual supports to healing and are not prescriptions or healthcare information.

Moonstone is also used as a stand in for pearl, when pearl is not available. Moonstone is associated with the crown and third eye chakras, and sometimes with the heart chakra.

Keywords: Mystery, self-discovery, intuition, insight, dreams, the Goddess

Chakras: Third eye and crown

Element: Wind

Birthstone: June, August, September

Zodiac Signs: Cancer, Libra, Scorpio

Number: 4

Moonstone Crystal Healing Properties:

It is said that Moonstone encourages us to pay attention to the cycles of our lives and to celebrate the milestones and rites of passage each new cycle brings. It teaches us to let go of frustrations and to surrender to the flow of the natural progress and to nurture ourselves in accordance to the current stage of one's creation. Moonstone connects us with deep intuition and psychic awareness, and allows us to embrace the ebb and flow of the moon. It is believed to be helpful in stabilizing female hormones and males to become attuned to subtle hormonal shifts during the different moon phases.

Moonstone History and Uses:

Moonstone is named for its translucent sheen which is reminiscent of moonlight, it is found in pale shades of white, brown, peach, cream, and a pearly gray color. Rainbow Moonstone displays a chatoyancy which reflects all the colours of a rainbow. It has been in use for thousands of years as a connection to the cycles of the moon and has been found as jewellery from ancient Asia and Rome. It was traditionally used as a traveller's protection stone and in India as a fertility stone, it was often given as a wedding gift to inspire passion. According to legend, Moonstone can help to predict the future when it is placed under the tongue during Full Moon.

Moonstone Geological Description:

Moonstone is a feldspar mineral, a potassium aluminium silicate with a hardness of 6 to 6.5. Its crystal system is monoclinic and prismatic. Moonstone is found in Sri Lanka, Madagascar, Burma, Australia, India and the United States.

Affirmation: I respect and stay in tune with life cycles

Snowflake Obsidian - Healing Properties

Alternate Spellings or Names: Gray Snowflake Obsidian, White Snowflake Obsidian

♥ Balance during changes ♥ Purification ♥ Transformation ♥ Fulfillment ♥ Metamorphoses ♥

Manifestation ♥ Practicality ♥ Psychic ability

Snowflake Obsidian is a natural volcanic glass containing the mineral Cristobalite in the form of white "snowflake" crystal patterns.

Chakras - Base Chakra

Zodiac - Virgo

Typical colors - Black with white patches

Snowflake obsidian has the property of bringing things to the surface. The things brought to the surface could be positive or negative, love, anger, secrets; but with snowflake obsidian, these things are brought to the surface more gently than they might be otherwise. Snowflake obsidian can provide balance during times of change. It aids

in seeing patterns in life and recreating them in a more beneficial way. It is a stone of serenity and purity, and can shield against negativity. It is associated with the root chakra and is said to be beneficial for the veins, skeleton, and smooth skin. Note that healing crystal meanings are spiritual supports to healing and are not prescriptions or healthcare information. Snowflake obsidian is used for protection from physical and emotional harm.

In addition to the generic healing properties of Obsidian, Snowflake Obsidian is calming and soothing. It teaches you to value mistakes as well as successes. A stone of purity, Snowflake Obsidian provides balance for body, mind and spirit. It helps you recognize and release "wrong thinking" and stressful mental patterns. Promotes dispassion and inner centering.

Snowflake Obsidian is said to aid in disorders: Of the veins and the skeletal structure. To improve circulation and alleviates muscular aches and spasms. Helps joint pain (arthritis) and hardening of the arteries.

Amethyst energy properties are suggested to be calming, which is an asset for those who have issues with focusing and concentration. It can help calm the emotions by reducing fear and anger and filling the user with more positive emotions. Amethyst healing stones calm the owner. This improves their mental prowess. Leaving amethyst crystal clusters in the workplace or at home can help with stress, depression and anxiety. Generally, the bigger the amethyst, the larger the energy force and vibrations will be.

Keywords: Psychic, Sobriety, Inner Peace, Healing, Protection, Stress Relief, Addictions, Purifying, Balance, Self-Awareness, Mind, Body, and Soul

Physical Level: Amethyst is believed to release and heal addiction patterns. Supports and balances the nervous, endocrine, respiratory and digestive systems. Has been said to be used to treat headaches, insomnia, swelling, injuries, skin conditions and tinnitus.

Emotional Level: Balances the emotions and helps center. Has a calming effect and can clear anger, anxiety, grief, depression and fear. Amethyst is very well known -- as from the ancients -- as a sobriety stone.

Mental Level: Enhances memory and mental functioning. Activates the higher mind to assist with gaining a higher spiritual understanding of life circumstances. Helps to clear mental patterns that stand in the way of greater health, well-being and fulfillment.
