

Mahala D. Bacon, Th.D.

Chicago's International Spiritual Teacher  
A Leader in the field of Spiritual Energetics

(A branch of science that deals primarily with Spiritual Energy and its phases of transformation.)

A SPIRITUAL TEACHER AMONG US - "Emotions are Simply the Voice of the Spirit."  
CEO - United Spiritual Council of Nations and Senior Pastor at Evangelical Spiritual Church.

Mahala is a graduate of Williams College, and known as a Master teacher, an Adept in eastern mystic tradition. She believes that all people must be honored for the innate wisdom that resides within them. Her focus is to help each person begin the journey inward to release that wisdom, so life will be more meaningful. Mahala known for her teachings, speaking engagements, seminars, and workshops. She is recognized internationally as a Spiritual leader and Educator.

As a Spiritual teacher Mahala has brought thought-increasing concepts to the world of spiritual studies and phenomena. Mahala uses a practical down-to-earth approach; she has earned an expansive and dedicated following.

As a teacher and leader, Mahala is involved in mystical studies of eastern philosophy and teaches the scientific and subjective theories that involve these studies. Her field of expertise is in Sacred Sciences and Spiritual Energetics. She offers interactive workshops and classes on Zoom and on sight.

Being one of the leading teachers in spiritual teachings, this has led to tours through the USA, Canada, and Mexico. Mahala appears on TV programming and Satellite Radio.

Her life's passion is teaching people the power within. That mission has been channeled as a pastor, teacher, and Speaker which enables her to bring comfort and hope to people. She utilizes the teachings of Eastern Mysticism and blends those teachings with the traditional Spiritual Teachings to show us a way of living life fully. Applying a blend of these concepts into today's living helps us stay centered and focused in our modern world. Spiritual concepts enable's enhance living. As each of us learn and come to realize, knowing our self is where power lies. Through education we expand awareness. By uniting the thread that connects our innate wisdom (heart) with physical intelligence, (head) we find our wholeness and realize we are complete.

As we align ourselves with the power of the universe, we learn that the universe speaks to our spirit. "Emotions are Simply the Voice of the Spirit."
