

Greetings Spiritual Pilgrims:

Are you being called to walk the Way of Love? To embrace more of the Feminine Energy of Mary Magdalene?

This opportunity Camino Mary Magdalene awaits you!

Terese & I are planning a Camino to Southern France June 2-14, 2026, to walk the steps of Mary Magdalene (Maria Magdalena). This 12-day pilgrimage in the beautiful Pyrenees Mts. is intended to be a **Walk and "Way of Love."** Which was the essence & energy of Mary Magdalene.

We have a wonderful guide, Benedicte, to lead us on this Camino. Terese and I did a similar Camino with Benedicte back in 2013.

The Camino begins and ends in Toulouse France. Our Camino takes us to various sites of caves and castles, hot nature baths, and the Church of Mary Magdalene. There will be some teachings and channelings of the Mary & Yeshua Energies along the way.

Some Sites/areas we explore:

Salve Terre (Holy Land).

Big cave: La Caune, in abandoned town of Perillos.

Castle in Chateau Peyrepertuse.

Rennes Le Chateau: Church of Mary and the Chair of Isis.

Commune of Montsegur: The famous Mt and last stand of the Cathars.

Cave of Initiation.

Camino space of 12 participants.

The Camino price is: \$3333.00 including lodging and all meals during our 12 days together. Fee is non-refundable, unless you find a paying replacement to fill your spot. Deposit of \$1666.50 to reserve your Camino spot is due by Oct 1, 2025. The remaining balance of \$1666.50 is due by March 31, 2026.

You are responsible for your airfare fee and travel to and from Toulouse France.

Lodging is in the towns along the way; we stay in modest hometown apartments or homes of the villagers.

The hikes will vary from light, moderate, with a few strenuous uphill & downhill trail hikes.
