Personal Vows – examples

From the moment we met, my life took on a whole new meaning. It was like finding the missing piece to my puzzle, the melody to my song, and the colour to my world. Today, as we stand here, surrounded by the beauty of this moment and the love of our family and friends, I promise to love you unconditionally, with all my heart, for the rest of my days.

This band of gold says it all.

My love is all yours
and my love is for keeps.

With a lifetime ahead of us,
and a loving bond between us,
we'll live one day at a time;
appreciating each moment
and appreciating each other.

I will always cherish the moments we spend together, even when you force me to watch your favourite TV show for the hundredth time. I vow to continue to pretend to love your spaghetti Bolognese. Today, I stand before you to renew the vows I made to you 10 years ago. I promise to continue loving and cherishing you, to be your partner in life, and to support you in all that you do. I vow to be patient, understanding, and faithful, as we continue to build a life filled with love, laughter, and adventure. You are my rock, my best friend, and my soulmate, and I am grateful every day to have you by my side.

I promise to love you more with each passing year, even when you forget where you put your glasses for the 100th time. I promise to always love you, even though you don't look as good as you used to in your budgie smugglers. I promise to be patient and understanding and to listen to you with an open heart and mind. I will be your confidante, your best friend, and your biggest cheerleader. Together, we will face whatever challenges life may bring, and we will celebrate every victory, big or small.

I promise to love you unconditionally, with all my heart, for the rest of my days. I choose you today, tomorrow, and for all the days to come. You are my person, my love, and my forever. I can't wait to take this incredible journey of life with you, hand in hand, heart in heart. With you, every day is an adventure, and every moment is a treasure. I am so grateful to have you as my partner, my love, and my best friend.

I promise to dream with you and to work with you to make those dreams a reality. I promise to respect your individuality and encourage your growth as we grow together. I promise to share in your triumphs and lift you up in your defeats.

I vow to be the big spoon when you need warmth and the little spoon when you need comfort, and the spork when you're feeling indecisive.
