

JOIN THE MOVEMENT

We are quickly putting Vancouver Island on the map as a hotbed for exceptional Muay Thai competition & entertainment.

Our first two events were resounding successes, proving to our audience, athletes, sport regulators and sponsors that we can flawlessly execute world-class Muay Thai events at home on Vancouver Island. We have ignited a movement, are experiencing remarkable growth, and look forward to setting the bar even higher in each of our events. Join us as a core part of the excitement!
