

Pet Care Checklist

- **Essential Contacts:**

Your mobile number, the address where you'll be staying, an emergency backup contact (local to the sitter), your primary vet, and the nearest 24/7 emergency clinic.

- **Medical & Health Info:**

Recent photos of your pet for identification, microchip numbers, vaccination history, and pet insurance details.

- **Daily Routine:**

A clear schedule for feeding (amounts and times), play and toy preferences, and ideal stroking/cuddling interactions.

- **Behavioral Quirks:**

Known triggers (e.g., thunderstorms or motorcycles), fears and calming techniques.

- **Household Rules:**

Access codes for alarms, Wi-Fi passwords, locations of cleaning supplies, and which rooms or furniture are off-limits.
