## Fresh Start Intervention

### Jumpstart June

After an exciting and enriching month, we're jumping into July with energy and purpose at Fresh Start Intervention! At FSIV, after-school time is more than just play — it's a chance to grow, explore, and engage with the world around us. This June, our youth took part in meaningful field trips, hands-on projects, and important conversations about preventing violence and drug use in our communities.

**We will be taking a FSIV field trip to North Ave Beach on June 30, 1pm-4pm.** Our students had the joy of meeting sea creatures up close at the Shedd Aquarium and expanding their curiosity during a visit to the Museum of Science and Industry. They also worked on creative projects to honor both Father's Day and Juneteenth, planted flowers and seeds in our

## Welcome to July

We have a lot to look forward to in July. It will be a month of evolution and adventures. On July 9th, we are taking a FSIV field trip to the field museum at 2pm.

At Fresh Start Intervention, our mission is to empower individuals and families through meaningful training, educational experiences, and personalized guidance—with a strong emphasis on drug and violence prevention.

**"The things that make me different are the things that make me"**

**-A.A. Milne, "Winnie the Pooh"**

We offer several programs such as our Arts & Crafts, Media/Branding Development, Dance, Sports Fundamentals, Public Speaking, and Critical Thinking. In addition to our special projects, free lunch and snacks, free field trips and outside time to unwind after eventful days.

## VOLUNTEERS ARE STILL BEING ACCEPTED!

If you're 17 or older and have a passion for working with children, we'd love to have you on our team. We're looking for creative, enthusiastic individuals who fresh ideas, a sense of humor, and a willingness to learn and grow in a supportive environment. Volunteers should be open to feedback and eager to make a positive impact.

Join us in creating meaningful experiences for youth in our community!
