FAX: (575) 537-2032

December 13, 2023

Dear Residents and Businesses,

The Town would like to let all of our residents and businesses know starting January 1, 2024 we will begin working with a new contractor for Solid Waste Collection Services. Southwest Disposal will be our new contractor. We look forward to working with them and expect the transition will go smoothly.

This letter includes important information about the transition.

Effective January 1, 2024 there will be some changes to the trash pick up process. The town has purchased new trash carts as we will be changing to an automated trash collection service. Each cart has a serial number that will be assigned to your address. Each residential account will receive one (1) 96-gallon cart that will be delivered to your residence by the Town's Maintenance staff. Residents can request one (1) additional cart for an additional fee; please contact Town Hall if you would like to request a second cart.

Effective January 1, 2024 trash collection will be picked up on Mondays for all residents and Mondays and Fridays for businesses. Due to the first Monday of the year falling on New Year's Day, trash collection will be picked up next day on Tuesday, January 2, 2024. Trash will no longer be picked up in the alley. Trash will be picked up on the street in front of the residence. Residents will be responsible for wheeling their carts out to the front curb away from vehicles, fence, mailboxes, etc. Instructions on how to place your cart are provided on the back of this letter, and a door hanger with the instructions will be attached to your cart when delivered. We also encourage you to speak with your neighbors to ensure that everyone has sufficient space to place the carts on pickup days.

We look forward to these new services and appreciate your cooperation and patience during this transition. Please do not hesitate to contact us at (575) 537-2287 or stop by the Town Hall if you have any questions or concerns.

Sincerely,

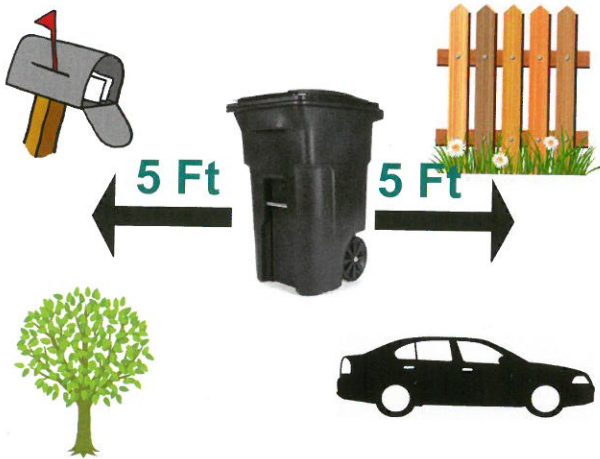

A handwritten signature in black ink, appearing to be 'Ed Stevens', written over a horizontal line.

Mayor Ed Stevens

# SOUTHWEST DISPOSAL

Welcome to Southwest Disposal's automated trash collection service.

## Cart Placement Instructions

- Front of cart must face street
- Cart must be placed at the roadside/curbside
- Cart must be out by 5 am or the night before
- Carts too close to stationary objects will not be serviced
- 3 Ft clearance between additional carts
- Trash should be bagged
- Driver will only pick up what is in the cart
- No construction or hazardous materials: paint, Freon, oil, batteries, dirt, tires, bricks
- No hot ashes

SOUTHWEST DISPOSAL
