PUBLIC INPUT SOUGHT AT DECEMBER TOWN COUNCIL MEETING

The Hurley Town Council invites the public to attend its December meeting to provide input on Cody Graham's request for a business license to operate DRI Metals.

Mr. Graham is seeking to establish a business west of Diaz Avenue that would provide emergency and non-emergency railroad support services, heavy lift and transport services, and metal management.

Mr. Graham will present his business plan to meeting attendees and will answer questions related to his business operations.

The meeting is scheduled for 5 pm on Tuesday, December 10. It will be held at the Community Center at 302 Carrasco.

VOLUNTEERS CONTRIBUTE TO SUCCESSFUL PUMPKIN PATCH

The 2024 Hurley Pumpkin Patch was a great success, with more than 200 pumpkins being distributed.

This amazing day that produced tons of smiles would not have been so successful without the help of many residents and volunteers.

Joel Nanez and The Patio Restaurant donated the pumpkins and the space for the event. Cobre High School Cheerleaders provided various games for the children, and Sarah Patterson offered face

painting.

Rebecca and Don Spann opened the Old Hurley Store so kids of all ages could view the trains. Saddlehawk, LLC, a non-profit organization, offered the highly popular carriage rides.

DJ Sounds Unique provided the great music, and Carol Murati donated the beautiful flower arrangements.

Thank you, everyone! We can't wait for next year's pumpkin patch!
