NEW FINES FOR DOGS AT LARGE

The Hurley Town Council recently passed an intent to adopt a revised Animal Control Ordinance that increases the fees for dogs running at large.

Under the revised ordinance, the fines for a dog running at large will be \$150 for the first offense, \$250 for the second offense, and \$500 for the third offense.

In addition, the failure to license an animal will be \$40 and the failure to obtain the correct license (Intact Animal, Commercial Kennel License, Guard Dog) will be \$150.

Residents should register their pets with the Hurley Police Department. A general license costs \$15 for altered animals and \$50 for intact animals. Senior citizens (55+ years old) qualify for a reduced rate of \$5 for altered animals.

INTERNET ACCESS & NEW ACQUISITIONS

The Hurley Community Library now has free internet access for library patrons. The library has 2 computers that residents can use as well.

Over the past several months, the library has acquired several hundred books, various board games, numerous acoustic and electric guitars, sewing patterns and fabric, and a Playstation 4. We also have a seed library.

The library is located inside the Community Center at 302 Carrasco and is open Thursday afternoons (2-5 pm) and Friday mornings (9 am to noon). We are looking to extend the hours to more days of the week and need volunteers to help man the library.

If you would like more information, please contact Councilor Jim Langley at 575-574-8822.
