KEEPING YARDS CLEAN

Code Enforcer Doug Miranda offers 3 tips for keeping yards clean:

1. Organize items to avoid eyesores. Use storage containers or “hidden” yard areas.
2. It’s easier to maintain a yard when the weeds are short.
3. Invest in a cheap weedeater and shears to cut grass and remove those pesky elm saplings.

For more information, call Mr. Miranda at 537-3220.
