

## FROGS AGM - 18 ${ }^{\text {th }}$ September 2023

## Treasurer's Report Y/E 31/08/23

We are delighted to report that during the year ended 31st August 2023, FROGS raised over $£ 10 \mathrm{k}$. We were fortunate to inherit a sizeable cash balance which has been invested into the school during the year with a total spend of nearly £25k. I will go into a more detailed breakdown of these figures but at the end of our financial year, we had a positive cash balance of $£ 5 \mathrm{k}$ and a school with six air-conditioned classrooms ( $75 \%$ FROGS-funded) and a leading KS1 phonics programme. Perhaps small in comparison but we are also the proud owners of two new Zettles (card-reader machines) and a set of 'Hoppy to Help' FROGS team sashes!

## 1) Income for the year $1^{\text {st }}$ September 2022 to $\mathbf{3 1}^{\text {st }}$ August 2023

Our most profitable event was Goldfest which raised nearly $£ 5 k$, almost half of our annual income. This year we raised over $£ 1 \mathrm{k}$ sponsorship which meant we could secure great entertainment such as the popular reptile petting zoo and cover the costs of those all-important Zettles and sashes! Keeping catering in-house proved very cost-effective and we were fortunate that the King's Arms not only ran the bar but also donated all profits. Advance sales of tokens redeemable on stalls and the barbeque proved popular and mitigated our risk against bad weather and low turn-out. Key learnings for next year include bringing ice cream sales in-house and offering the sale of paper raffle tickets alongside online options to appeal to all customers and capitalise on in-person sales. Here is a breakdown of Goldfest results:

| Goldfest 01/07/23 | $£$ |
| :--- | ---: |
| Advance token sales | 920.00 |
| Cash takings | $1,520.54$ |
| Zettle proceeds | $1,381.00$ |
| Raffle sales | $1,330.00$ |
| Bar profit | 560.00 |
| Sponsorship | $1,180.00$ |
| TOTAL | $\mathbf{6 , 8 9 1 . 5 4}$ |
|  | $\mathbf{( 1 , 9 9 1 . 1 8 )}$ |
| EXPENDITURE |  |
|  | $\mathbf{4 , 9 0 0 . 3 6}$ |
| PROFIT |  |

Other key sources of income were the Christmas event (including hamper raffle) and school disco which, thanks to our own FROGS DJ, had minimal outlay. Our Easter Trail was also popular but less profitable as it came at a busy time of year with competing priorities for parents including My Money Month, school trips and FROGS bake sales. As a result, we changed our price structure to an optional donation.

2) Expenditure for the year

## Charitable objects

To advance the education of pupils in the school in particular by:

- developing effective relationships between the staff, parents and others associated with the school; and
- engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

As mentioned, our major outlay during the year was towards air conditioning so we were delighted about the September heatwave! Air conditioning has now been installed in all six classrooms with the Nursery area being subject to an external grant application coordinated by school. We have paid $75 \%$ of costs with the balance paid by school to be reimbursed by FROGS during 2023/2024.

Points to note for 2023/24:

- Next year we expect some bouncy castle repair costs (up to $£ 200$ );
- The AmazonSmile charity donation scheme has ended but there is an opportunity to increase income from 'easyfundraising' through targeted communications;
- We are in talks with Tring Tesco to nominate Goldfield for their Community Grant 'blue token' scheme;
- Through a parent contact, Amazon Community Engagement Team have pledged a donation of $£ 1,000$; and
- This year we will complete our Gift Aid registration to encourage potential donors and increase the value of any donations.
