Water Metering Reminder—Guardian

Submetering measurement and billing is handled by Guardian Water and Power. If you have questions about your water usage bill, please contact Guardian's Customer Service Center. During working hours, Monday through Friday, 5:30 AM to 5:00 PM at 800-444-9283.

Pool Closing

The pool is closing at the end of the day on Sunday, October 15th.

Homeowner Tree Review

Please check your trees, plants and bushes on your patio to make sure none of them overhang your roof, or hang over the fence. If branches are on the roof or the top of your fence, please take steps to cut them back. This is the perfect time of year to do such trimming! If you need someone to help with this job our Arborist, Juan Olguin from Imperial Tree, might be someone to talk to. Juan's phone number is 408-293-9577

Gate Codes

- The Creekside Oaks Gate Keypad Code for Residents and Homeowners will change on **Monday, October 2, 2023**. Reminder emails with the new code were sent out Wednesday, September 27th. Details will also be available in the Member Portal section of the website.
- Gate cards, gate remotes (clickers) and gate codes for visitors or service people can now be requested from David Apfelberg, Bay Tree #46. Call Dave at 650-740-0211 or email dapfelberg@yahoo.com
- **For security reasons, do not give out the private residents' entrance code.**
- Reminder ... you can find information on current gate codes through the website Member Portal: <https://creekside-oaks.com/>
- Note: if you are having trouble allowing access to callers from the gate, try holding the #6 key for about 3 seconds. This will help the system confirm that you intend to let someone in.
