Short Term Volunteers Needed

- John Radford, our HOA Board President, is looking for two to three volunteers to work on a taskforce to evaluate the best and most cost-effective way to light our directional signs. The board believes lighting our signs will ensure emergency vehicles find their right location and help evening guests find your home.
- If you are interested, contact John at john.radford@creskside-oaks.com.

Speaking of Light...

- The lighting in the gate kiosks has been updated. New plexiglass diffusers and brighter LED light bulbs have been installed. In addition, the roofs have been cleaned as well. To round out a beautiful first impression, the flowers planted around the El Monte gate are magnificent this summer. So, enjoy the view (and pride of ownership) either coming into the complex in the evening or in the middle of the day.

Ohlone Village Site

We are not the only people who have loved our location. On O'Keefe there is a historical marker, dedicated to the Ohlone people who made this area their home. You can find the marker on the Los Altos Hills side of O'Keefe between El Monte and the O'Keefe gate.

Relics of the Ohlone have been unearthed here over the last one hundred years. Mortars and pestles and an Indian skull were found east of Moody Road in 1955, and the developer of Colonial Estates on O'Keefe Lane discovered many human remains and artifacts during excavation work in 1964. The major find locally occurred in 1970, when the remains of an Ohlone village and burial ground were uncovered just across O'Keefe Lane, on the Los Altos side of the boundary on the property of Mrs.

Lucile Costello, which had been acquired by Edwin C. Johnsen for condominium development. With permission from Mrs. Costello and Johnsen, a "dig" and archeological study was undertaken by a team from Foothill College, aided by Mrs. Florence Fava, then historian for the town of Los Altos Hills. The ranks were later joined by students from the California History Center of De Anza College, San Francisco State, West Valley and St. Patrick Colleges.

New Events & Reminders from last month...

Bocci Ball Update

- Now is your chance to give Bocci Ball a chance. On Saturday, August 23 at 5pm come to the Bocci Ball court and see what it is all about. John Radford and Craig Carpenter will get new players up to speed. Bring some food to share and bring your own drinks.

Swim with the Swan !

- Don't forget to join the low impact water aerobics team on Monday, Wednesday, and Friday from 10:00 am to 11:00 am. If you have any questions or need more information, contact Cathie at 650-823-1374 .

Monthly "Meet and Greets" at the Pool

- Between now and September on the first and third Friday, from 5:00 - 7:00, residents are invited to gather at the upper pool to meet other neighbors! Each person should bring a beverage of their choice and food or snack to share (or not), up to each person! The purpose of these gatherings is for neighbors to get to know one another. Here is the schedule, so mark your calendars:

- Aug 15
- Sept 5 & 19

Oktoberfest at the Pool—On October 4 we will be celebrating! Mark your calendar and more info to follow as we get closer.

Manager Items

Gophers—If you see gophers please send a picture with the address to CS@CommunityManagement.com. They will send the information to the gopher management company for the association.

Pests—Homeowners are responsible for pests in their home and on their patio. Homeowners can contact Clark Pest Control and receive the Creekside Oaks Association discount (Reference Location 1019289) customerservice@clarkpest.com or 800-936-3339 x1. Homeowners pay Clark directly. The request will be routed to the association's technician. It would probably be helpful to have everyone in the building available for them to follow any leads they may have as a complete building solution may be needed.
