

Veterans For Child Rescue (V4CR)

Exposing & Eradicating Child Trafficking in the USA

Our Mission:

Raise Awareness

Awareness reduces predator's ability to operate, educates the public on what to look for and how to help, funds predator arrest missions, gives victims a voice, drives societal change, & saves lives. All of us can do something to be part of the solution.

Arrest & Convict Predators

V4CR has a 100% conviction rate as a result of joint counter-trafficking operations with law enforcement & NGOs.

Child trafficking is the fastest-growing & 2nd largest criminal enterprise in the world. The USA is the main hub.

- It generates at least \$50 BILLION dollars per year in the USA alone.
 - Each child predator abuses an average of 70 victims.
 - Unlike weapons & narcotics, a child can be sold over & over.

If more people knew what to look for & how to safely intervene, more children could be prevented from harm.
