CORRUPTED POETRY

GUIDELINES FOR SUBMISSIONS: LIVING WITH OTHER PEOPLE

Please send no more than 3 pages of A4, to a maximum of 3 poems, or 3 visual poems (b/w or greyscale) in a single Word document. Include a short (30-word max) biography in your Word document and please put your name on each page. No PDFs unless it's visual work, or for positional purposes with your Word file. We're looking for work that is on theme and has not been previously published, including online, but we will accept simultaneous submissions (let us know as soon as possible if work has been accepted elsewhere). We prefer not to make editorial changes once your work has been submitted, though you will receive a proof. Successful submitters will receive a copy of the anthology but please note we are not publicly funded and unfortunately, due to cost limitations we can only accept submissions from UK-based writers and artists.

Please send you completed submissions to
corruptedsubs1@gmail.com
The deadline is midnight on 15th July 2022

We will aim to respond within 3 months of the closing date and hope to publish in the winter of 2022.
Thank you for trusting us with your work.
