

Some Farmington, NM March 2023 Events – February 25, 2023 – The Farmington Jolt Your Journey Action Team has a fun selection of Jolt Worthy Events to feature for the month of March 2023! Please help spread word about these local events. Click on the title link, or visit [FarmingtonNM.org/events](http://FarmingtonNM.org/events) , for the complete event description and details . Events are listed in the order that they occur.

### Early Explorers

Each Friday from 10-10:45am , E3 Children's Museum offers exploration for preschoolers. This program, designed for children 2 to 5 years old, allows preschoolers to experience different science concepts and most adults will leave with ideas to try at home.

### Micro-Farming Fundamentals Course Series

The Potting Shed is offering a 6-part educational series between January 12<sup>th</sup> and March 23<sup>rd</sup> , on horticultural fundamentals of micro-farming, homesteading, self-sustaining and survival practices. Each class will include guest speakers, host businesses, activities and refreshments. The cost is \$50 per class (price covers instruction and all activity materials) or all 6 classes for a discounted rate of \$250.

## Tyrannosaurs Meet the Family

This exhibition at the Farmington Museum from February 3<sup>rd</sup> – April 26<sup>th</sup> is from the Australian Museum and brings the latest tyrannosaur discoveries to life, overturning our preconceptions about these ferocious predators. While the most famous is the mighty T. rex, tyrannosaurs came in all shapes and sizes and from all over the globe, and their history goes back over 100 million years. New tyrannosaurs, like the crested Guanlong from China, are changing and challenging our understanding of the evolution of these iconic, well-loved dinosaurs.

## Glow Night at Fly High Farmington

You won't want to miss Glow Night at Fly High Farmington. This special event will be Sunday, March 12<sup>th</sup> from 8pm – 11pm and only 200 spots will be available.

## Pi Day (3.14)

Join E3 Children's Museum & Science Center on March 14<sup>th</sup> from 10am – Noon for Pi Day! Pi is, by definition, the ratio of the circumference of a circle to its diameter. Regardless of the circle you use to calculate Pi, it's always the same number. Let's not be irrational, everyone is bound to have a great time! Join them for tons of Pi activities AND pie of course. All ages welcome.

## St. Patrick's Day Madness

Spend St. Patrick's Day with Sycamore Park Community Center. On March 17<sup>th</sup> from 5pm – 7pm , enjoy games, refreshments and the “Most Creative Green Worn” costume contest at this family-friendly event.

## Roost the Ridges Mountain Bike Enduro

On March 18<sup>th</sup> , get ready for the 2023 MTB season with this awesome Enduro! Take your time on the climbs and get timed on the descents. This stunning course features three of Farmington's finest ridgelines! Registration open now.

The JYJAT consists of local residents, organizations and businesses working together to energize how we live, work, play and stay Farmington. As a group, they have chosen to highlight events that go above and beyond to energize life journeys through exceptional performances and unique opportunities. Each month, the JYJAT meets for the Action Team Meeting and votes on the top upcoming events from the community calendar at [www.FarmingtonNM.org](http://www.FarmingtonNM.org). Farmington event organizers interested in consideration for endorsement need to submit their event to the calendar.
