

Gallup Education Rally planned this Monday, May 12

Gallup, NM – May 7, 2025 - On Monday May 12, 2025, Residents from Gallup and the surrounding area will rally on the sidewalk in front of 640 Boardman Avenue, from 12:30 pm to 1:30 pm, in order to ask the GMCS school board and elected leaders for transparency and accountability about our children's education, and to oppose the Trump Administration's assault on education.

The POTUS is proposing to Congress that the federal government pull back billions of dollars in K-12 education investments, saying that he wants the Department of Education to be closed "as soon as possible."

We are also bringing attention to allegations of ethics violations by our superintendent.

The public is encouraged to participate. A core principle of this protest is a commitment to nonviolent action.
