

## Virtual Public Meeting for the NM 264 Alignment Study Milepost 0 to 16 – August 23, 2022

The New Mexico Department of Transportation (NMDOT), in coordination with the Federal Highway Administration, is conducting an Alignment Study on NM 264 in McKinley County from the Arizona/New Mexico state line to the US 491 interchange near Yah-Ta-Hey to document existing conditions and develop highway improvement alternatives. NM 264 serves as a key corridor to the Navajo Nation, connecting communities to Window Rock, AZ, and serves as a connection to US 491. The purpose of this meeting is to introduce the study, the conditions identified and receive public input.

NMDOT invites you to participate in a live virtual public meeting on **Tuesday, August 23, 2022, starting at 6:00 pm (MT)** to learn more about and share your input on the study.
