

RMCHCS Revised Visitors' Guidelines Revised January 19, 2022:

Due to the recent surge in virus cases, Rehoboth McKinley Christian Health Care Services has reinstated a no visitor's policy.

One family member or support person who has passed the coronavirus screening may:

- Accompany a pregnant woman into the Birthing Center and stay with her during labor, delivery and postpartum stay. No additional visitors will be allowed at this time.
- Stay with a pediatric patient at all times until the patient is discharged from the hospital.
- Accompany a patient requiring a personal care attendant at admissions. Once that person leaves, no other visitors will be allowed into the facility.

Terminally ill patient's visitation will be determined on a case-by-case basis.

RMCHCS providers and staff members are working round the clock to ensure the safety of our patients and to mitigate the spread of the virus. We understand this is a stressful and scary time. We ask for your patience and understanding and ask that we all make special efforts to be kind and gracious toward one another during this time of crisis.
